re: Fatima Touray

This is to certify that Fatima Touray was a bona fide student at West African International School (WAIS) from September, 2016 to June, 2022.

Fatima was regular and punctual in school attendance and diligent in her academic pursuits. She displayed a pleasant disposition in her interactions with other students and teachers alike.

She was a well comported student, who steadfastly observed the school's Rules and Code of Conduct.

I do not hesitate to recommend her to any institution for further academic studies.

For any further information please contact the Principal at the above address.
