RECOMMENDATION

FATOU S KEITA has attended an Intensive Foundation Course in General Nursing from 14th February, 2022 to 24th February, 2023.

She has been found to be focus, hardworking, diligent, mature, alert, punctual, knowledgeable, well discipline and very much interested in nursing. She always make sure that work is done and accomplished at the right time. She is a promising nurse and can cope in any situation that she happens to find herself. Both academical and practical performance excellent. She is one of the best nurses aspiring to further her nursing education.

In view of the above, I highly recommend her to any employer who needs her services or any nursing institution to further her education. I have no iota of doubt that she can perform to the best of her ability.

Whilst counting on your usual support, please accept the assurances of my highest consideration and esteem.

Yours Sincerely,

Mrs. Margaret Gomez

Director
