Recommendation – SARATOU JALLOW

Saratou Jallow served as an intern at The Gambia Red Cross Society (GRCS) from 2016 to 2017 within our Restoring Family Links Unit, and her dedication, skills, and positive attitude left a lasting impression on our team.

During her internship, Saratou consistently displayed a strong work ethic and an eagerness to learn. She effectively utilized her knowledge and academic background in social work to excel in her responsibilities, which included assisting in the facilitation of family reunification processes, supporting vulnerable individuals, and conducting case assessments.

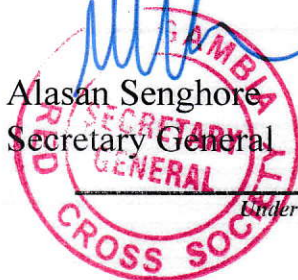

Saratou's exceptional interpersonal skills and empathy made her an invaluable asset to our team. She demonstrated great sensitivity and compassion when engaging with individuals who had been separated from their loved ones, creating a supportive environment for them. Her ability to actively listen and provide emotional support significantly contributed to the successful restoration of family links.

What sets Saratou apart is her unwavering commitment to humanitarian work. Even after her internship ended, she continued to volunteer with the Gambia Red Cross, dedicating her time and energy to supporting the vulnerable people. Her dedication and passion for serving others have been truly inspiring.

Based on her outstanding performance and commitment to our organization's mission, I have no doubt that Saratou's exceptional abilities, strong work ethic, and compassionate nature will make her a valuable asset to any organization she joins in the future.
