RECOMMENDATION LETTER

Dear Sir/Madam

Can you kindly allow me to give my candid impression of Mrs. Sophie Gomez Afolabi as her immediate supervisor from July to September 2011 in the Paediatric Special Care Unit of the RVTH

She is very respectful, committed and dedicated to her responsibilities, which earned her the respect and admiration of all her colleagues and patients alike. She is very neat, considerate and punctual concerning her work.

Based on the above-mentioned attributes of hers, I hereby undoubtedly without any hesitation recommends her for any suitable position in your noble institution which she opts for. I am with the strong conviction that you will not be disappointed if you give this rare opportunity.

Thank you very much for your consideration to go through this letter whilst counting on your positive response.

Yours faithfully,

.....
