RE; RECOMMENDATION LETTER FOR DEMBA KEITA

The applicant **DEMBA** is known to me for the past two years as a volunteer in the facility where he has been working up to date.

He is hardworking, dedicated and obedient to authority. He has acquired some nursing skills and able to perform tasks assigned to him to the best of his ability.

I have no doubt in recommending him to any institution or organisation in need of his service or to be enrolled into any higher institution of learning in the world. He has been on my supervision and therefore, based on his performance track record, I am quite optimistic that he can excel in his talents at any level beyond expectations.

Thank you.
