

Alpha A. Khan J.P
Principal

Fatoumata was admitted into Grade 10 at Charles Jow Memorial Academy (now 22nd July Academy) in September 2009 to pursue a three-year Senior Secondary School course in the Sciences. She sat to the West African Senior Secondary School Certificate Examination in April / May 2012.

During her study period, she worked extremely hard to improve her academic standard. On the whole, her academic performance was above average.

Fatoumata was relatively regular, punctual and highly disciplined. She was quiet, obedient and maintained a good relationship with her colleagues and teachers.

I therefore recommend her to any institution where she would be opportune to broaden her knowledge or to any employer who may need her services.
