

LETTER OF RECOMMENDATION

TO WHOM IT MAY CONCERN

RE: YA SIGA WILLIAM

The above mentioned is working at the MRC clinical service department as an auxiliary nurse. She has worked in the OPD, Gate clinic, Liver clinic, TB clinic and the ward in general. She is hard working, punctual and very professional in carrying out her duties. Her performance in the CSD is satisfactory.

I therefore recommend her for any endeavour she chooses to upgrade her career. Kindly give her the necessary assistance she requires.

Best Regards
