REFERENCE IN RESPECT OF MISS ROHEY CONTEH

I write in respect of **Miss Rohey Conteh**, whom I have known for the past Two years, since her posting in this school as an untrained teacher. She obtained WASSCE Certificate and attended Kanifing East Senior Secondary School from 2015 to 2018; she is now trying to pursue her Diploma in Education at The Gambia College School of Education.

Miss Conteh is highly discipline and has an excellent interpersonal and good working relationship with supervisors, colleagues and children under her care. She has found to be very committed in executing her teaching and learning responsibilities and other duties assigned to her by her supervisors.

She has always shown a strong desire to improve on both her academic and professional qualifications, especially to obtain **Diploma in Education**. It is against this background that, I have no reservation in recommending her to any institution especially **The Gambia College school of Education** who can offer her opportunity to accomplish her long term objective.
