TO WHOM IT MAY CONCERN

This is to certify that **GEORGE FRANCIS NZALLY** has been a student in the above named school from 2018 to 2021. At the end of the Grade 12 course he sat to the West African Senior Schools Certificate Examination in May/June 2021.

GEORGE FRANCIS was an average student but hard working and ambitious and so he received regular promotion each year. He was regular, punctual and self-motivated. Characteristics which made him get on well with his teachers and fellow students. He was also self disciplined and could be relied on to work on his own and achieves results. He was capable of doing intensive studies given the right atmosphere.

Throughout his **THREE** years at St. Augustine's **GEORGE FRANCIS** was always willing and co-operative and had a great sense of duty. He therefore gained the respect of all pupils and teachers alike.

I have no hesitation in recommending him as a young man of good character and strong determination to achieve his aims. He is capable of being successful in any pursuit he opts for if given the chance.
