Dear Madam,

**Re: Recommendation for Confirmation in Appointment**

The Regional Health Management Western Region hereby recommends Mrs Ayo Nyabally Community Nurse Attendant for confirmation in appointment.

Mrs Nyabally was appointed in 1<sup>st</sup> January 2007 by the Personnel Management Office into the Civil Services and has worked at various Health institutions and currently stationed at Brikama Major Health Centre.

The office counts on your usual cooperation and support.

Thanks

Yours Faithfully

**Juma Jallow**

TO WHOIM IT MAY CONCERN

Sir/Madam,

SUB: ATTESTATION FOR MRS. AYO NYABALLY (COMMUNITY NURSE)

This is to certify that Mrs Nyabally is a Community Nurse actively working at the above mentioned District Tertiary Health Facility and known to me since 2008.

Madam Nyabally has shown certain characters that are rare in nurse attendants of the 21st century as she has shown nursing qualities reckoned by all her supervisors and the hospital senior management team. She is obedient, respectful and has a high sense of humour that is being elicited among her colleagues, friends and patients.

She is a hard working, ambitious, regular, punctual and self-motivated; characteristics which made her get well with her supervisors and juniors. She is also self disciplined and could be relied on to work under supervision and achieves results. She is capable of doing intensive studies if given the right atmosphere.

Throughout her duty at this noble public hospital as known to me and her immediate supervisors; she is always willing, cooperative and had a great sense of duty. She therefore gains the respect of all staff and patients alike.

She has always enjoyed good health and still does.

I have no hesitation in recommending her as a young Lady of good character and strong determination to achieve her aims. She is capable of being successful in any pursuit she opts for if given the chance.

I and the senior management team thank her abundantly in her valuable contributions during the ongoing transformation period of this noble public health institution.
