Recommendation for Miss Hawa M. Jallow

To whom it may concern

It is my pleasure to recommend Miss. Hawa M. Jallow for further academic studies. I have known her for more than a year during her stayed at Baja Kunda Major Health Centre as a Voluntary.

Miss. Hawa M. Jallow is highly intelligent, industrious, and has the ability to work for long hours under difficult situations without problems. These unique features coupled with her well-articulated ideas, willingness of doing assigned tasks has made her one of the best voluntary at the health facility.

I have no doubts about her ability to undertake any programme of study related to health because of her dedication and commitment towards work. She is always willing to follow standard operational procedures at work when assigned a particular task.

Finally as her current immediate supervisor, I am highly recommending Miss. Hawa M. Jallow as a potential candidate for any academic or scholarship opportunities from your institution. I am therefore most available for any clarification through the contacts on the letter head. Thank you

Yours sincerely,

Mr. Buba Makalo
Registered Midwife
Officer in Charge

Cc: Regional Director of Health Services
