RECOMMENDATION

Aji Binta Leigh has attended an Intensive Foundation Course in General nursing from 17TH July 2017 to 12th January 2018.

She has been found to be hardworking, reliable, punctual, knowledgeable, well discipline and very much interested in nursing. She always make sure that work is done and accomplished at the right time. She can cope in any situation she finds herself.

In view of the above, I highly recommend her to any employer who needs her services or any nursing institution for her to further her education. I have no iota of doubt that she can perform to the best of her ability.

Whilst counting on your usual support, please accept the assurances of my highest consideration

Yours Sincerely

NAME AJI BINTA LEIGH

The above named was attached to the Accident & Emergency Unit of the Edward Francis Small Teaching as an attaché from President's International Award for a period of nine months, 10th February to 9th October 2015. The purpose of the attachment was to introduce her to basic nursing skills, the Nursing profession and other interpersonal skills. She worked under the supervision of the Departmental Matron and his staff.

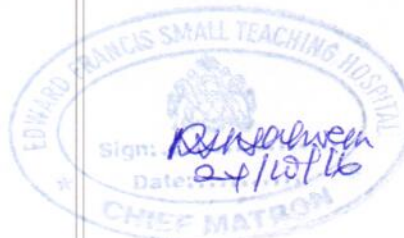

During this period, she exhibited a high sense of responsibility, commitment, dedication, respect for clients and their families and staff, empathy and selfless service. Her punctuality, interpersonal relationship, communication skills, respect for authority and insatiable desire for personal development are worth emulating.

We are hopeful that if given the opportunity, she has the ability to excel in every endeavour. We wish her all the best in all her academic and professional endeavours.
