RECOMMENDATION FOR MR OMAR BAH

RE: VOLUNTEER

This is to recommend MR OMAR BAH a voluntary teacher in the above-named school for the pass year.

During this period, MR BAH proved beyond reasonable doubt that he is indeed very hardworking. He has excellent records of attendance and punctuality. He is very tolerant, hardworking and has the prowess of dealing with the situation of stress, utilizing self-regulatory approaches to problem solving. His grasp of English Language facility both in its written and spoken form is indeed outstanding.

In this light, without reservation, I am grateful to recommend him to anyone who may sponsor him for further studies or need his services.

Thanks.

Yours truly,

SAIKOU SOHNA
