TESTIMONIAL

AWA WADDA was enrolled in Grade 10 at SOS Hermann Gmeiner Technical Senior Secondary School in September 2011. In May 2014, she sat to the external examinations conducted by the West African Examinations Council after attaining 12th grade standard.

AWA behaved well and worked hard throughout the time she spent with us. She got along quite well with the teachers and her peers. She passed the school examinations and enjoyed regular promotion based on merit until the end of her course.

Aside from fulfilling her academic obligations, **AWA** participated in extra curricula activities. She had keen interest in athletics specialising in short distance races. **AWA** had a passion for community service and showed willingness in helping the needy in our community.

AWA is a young, disciplined and hard working lady; I wish to recommend her for further studies and or employment in her area of career interest and academic strength.
