13th August, 2020.

RECOMMENDATION

FATOUMATTA BARRY has attended an Intensive Foundation Course in General Nursing from 7th October, 2019 to 1st November, 2020.

She has been found to be quiet, hardworking, reliable, punctual, knowledgeable, well discipline and very much interested in nursing. She always make sure that work is done and accomplished at the right time.

In view of the above, I highly recommend her to any employer who needs her services or any nursing institution for her to further her education. I have no iota of doubt that she can perform to the best of her ability.

Whilst counting on your usual support, please accept the assurances of my highest consideration and esteem.

Yours Sincerely,

Mrs. Margaret Gomez

Director
