RECOMMENDATION

Momodou Lamin Manneh has started working for Malak Chemist Pharmacy Company Limited 2019 to 2021.

He has been a hardworking man, punctual, well discipline and very interested in working. He is a quick learner and takes criticism.

I highly recommend him to any school he needs to apply to forward his studies.

Whilst counting on your usual assurances of my highest consideration to accept him in your school.

Yours Sincerely,

Moule Traouisi
