ATTESTATION

Fatou Wadda gained admission into the school in September 2011 and followed a three year Senior Secondary School course leading to the West African Senior School Certificate examination (WASSCE). Fatou was quite a diligent and committed student who cooperated with her teachers and obeyed the school rules and regulations. She did all her assignments with maximum care and scored relatively good marks. Her attendance record was good and she related very well with her colleagues. She has my recommendation.
