TESTIMONIAL FATOUMATA MANNEH

Fatoumata Manneh was admitted into Grade 7 at the Gambia Methodist Academy in September 2016. She sat to the Gambia Basic Education Certificate Examination (GABECE) in May 2019. She was re-admitted into Grade 10 in September 2019 to pursue a three-year Senior Secondary School Pure Science programme. She sat to the West African Senior Secondary School Certificate Examination (WASSCE) for School Candidates in May/June 2022.

Fatoumata worked relentlessly to improve on her academic performance. Her overall academic performance during the period of study in this school was above class average. She gave no cause to complain about her academic work or conduct.

Fatoumata is polite and well behaved. She related well with her colleagues as well as her teachers. She was an active member of the school's FAWEGAM club and Red Cross Society.

I therefore recommend her to any institution where she would have the opportunity to broaden her knowledge.
