WESTERN 1, KANIFING

13th March 2024

RHD/WHR1/017/2024

TO CONCERNED ACADEMIC & PROFESSIONAL AUTHORITIES

Dear Sir/Madam

RE: RECOMMENDATION FOR MRS. BINTA KM SUWAREH

This is to certify that Binta KM Suwareh is an employee of the Ministry of Health known to me for more than five (>5) years. She is committed to work and has respect for authority. She completes her assigned responsibilities on time key among which is the compilation and submission of the monthly health facility generated data to the Regional Health Directorate for entries into the DHIS2 data platform. Binta prepares the staff duty roaster, monitor staff presence and performance at work as well as coordinating staff briefing meetings, minutes of which are shared with the Regional Health Directorate.

Madam Suwareh is an Enrolled Nurse by profession and graduated from the certificate course in 2008. She was appointed in 2009 and posted in various health facilities in The Gambia such as Diabugu, Banjulnding, Fajikunda and Serekunda Health Centers respectively and manned different managerial positions ranging from Out Patient Department, Maternity ward, maternal/child clinic as well as Non Communicable Disease clinics.

From 2016 to 2017 she underwent a certificate course in Midwifery at the School for Enrolled Nurses and Midwives in Bansang. Suwareh got posted in Serekunda Health Center from 2018 to present moment where she held portfolios such as Reproductive and Child Health unit head, delivery ward, Family Planning, Anti Retro viral Treatment unit and the scanning unit respectively.

Binta has the potentials to succeed in any academic and professional careers as she is hard working and committed to duty, has good mastery over English language in both oral and written versions.

With the above positive personal qualities eminent in Binta KM Suwareh, I have no doubt and objection in recommending her to credible institutional and professional authorities in need of her services. While anticipating for your acknowledgement and consideration of this recommendation, I humbly remain:

Yours faithfully,

Musa Camara

Regional Director of Health Services Western 1 (Kanifing)
