During his stay with us Musa Sabally had a very good record of attendance and punctuality in school.

Musa Sabally demonstrated exceptional leadership and dedication during his tenure as head boy, inspiring his peers and earning the respect of both students and faculty. He works hard and seemingly passed his internal examination which earned him promotion to the next grade.

He is hardworking, respectful and co-operative student who gets along well with his peers and mentors. He is maturing into a well-disposed young man.

One of Sabally's most remarkable qualities is his commitment to community service and extracurricular activities. He actively participates in Peer Health and has contributed significantly to the school's community outreach programs.

Musa Sabally had great potential. He is highly recommended.
