ATTESTATION IN RESPECT OF MUHAMMED KUYATEH'S ENGLISH LANGUAGE PROFICIENCY/COMPETENCE

This is to confirm that English Language is the medium of instruction in the educational system of the Gambia commencing from nursery schools to university. It is also a subject of study compulsory for all students in the different levels of our educational system. I attest that Muhammed Kuyateh, having gone through the levels from nursery to senior secondary school (more than 12 years of schooling) learning English as a subject and with English being the only medium of instruction throughout, is no doubt equipped with both the oral and written skills at proficiency levels necessary to enable him perform well in any tertiary institution where English is the medium of instruction.

I attest this in my capacity as his English instructor at the senior secondary school level and in my capacity as the Vice Principal for Academics at Armitage Senior Secondary School.

Yours faithfully,

Musa Susso

(Vice Principal for Academics and Senior English Language Tutor)
