LETTER OF ATTESTATION

I write to certify that **Mariama Sowe** was a bona fide student of the above addressed school for three academic years, i.e. from 2019/2020 to 2021/2022 academic year and has been in the Arts Stream.

I attest that **Mariama Sowe** is focused, committed, desirable and trustworthy indeed. She was respectful to both teachers and her fellow students. Her polite attitude and gentle nature would make her easily adopt and cope with situations in any organized society or environment she finds herself since those had made her fit well in all social organizations she was part of in the school.

She is a would-be dependable character that merits attention and respect.

Yours faithfully
