Dear Sir/Madam,

TO WHOM IT MAY CONCERN:

RECOMMENDATION LETTER

I have had the distinct pleasure of having **MR. LAMIN CAMARA** in my school as Islamic and Social Environmental Studies teacher. In the year 2015 – 2016.

I have found **MR. LAMIN CAMARA** to be a very hard working gentle man, disciplinarian; he has reduced or flushed out potential problems caused by the students.

MR. LAMIN CAMARA is reliable, understanding and very open in dealing with people when it comes to reality and has always been punctual and regular at school.

MR. LAMIN CAMARA has the potential to read more in any institution in order to develop himself more academically and professionally. His attitude towards his work is quite satisfactory and I wish therefore to recommend him to any learning or working institution as he has the ability and potential to do well.

I wish him luck.

Yours faithfully,

Mrs B. Oluwafemi
Acting Principal
