RECOMMENDATION FOR ISATOU BOJANG

Mrs. ISATOU BOJANG is a staff at Brikama district hospital and have worked in various departments, namely general outpatient department, general ward anti and post natal wards as community health nurse. Isatou had been known to me for the past ten years. During this said period she have been known for her hard work, dedication and above all regular and punctual to work.

She has mand responsibilities as shift head and she an exemplary nurse in this twenty first century. She has respect for authority, seniors, patients and staff in general.

She has built the interest of learning to upgrade herself in the profession she has chosen.

I therefore will not hesitate to recommend her in pursuance of knowledge to expand improve her skills for better health care delivery.

Thank you.
