TO WHOM IT MAY CONCERN

This is to certify that **BUBACARR SUMAREH** has been a student in the above named school from 2014 to 2017. He sat to the West African Senior School Certificate Examination in May/June 2017.

BUBACARR was an average student but hard working and ambitious. He was regular, punctual and self-motivated, characteristics which made him get on well with his teachers and fellow students. He was also self disciplined and could be relied on to work on his own and achieves results. He was capable of doing intensive studies given the right atmosphere.

BUBACARR was always willing and co-operative and had a great sense of duty. He therefore gained the respect of all pupils and teachers alike.

He had always enjoyed good health and still does.

I have no hesitation in recommending him as a young man of good character and strong determination to achieve his aims. He is capable of being successful in any pursuit he opts for if given the chance.
