Dear Sir

21st November, 2019

REQUEST FOR THREE SEAT AT THE SCHOOL OF NURSING AND PUBLIC HEALTH

It's a pleasure and honor to write through your institution requesting at least a minimum seat of three (3) candidates to pursue their career in the field of Nursing and Public Health.

Sir, the Gambia Fire and Rescue Service has five Clinics across the country currently rendering medical and laboratory services to the nation and with two other clinics under construction at Brikama and Bajar Kunda respectively. The department has planned to improve ambulance services and expand the services rendered at the clinics.

Therefore, we are excited to express our interest in the programme at the Gambia College for the following;

School of Nursing & Midwifery

- Advanced Diploma in Nursing

School of Public Health

- High national Diploma in Public and Environmental Health School of Education

The nominated personnel are listed below

1. LFF 1449 Mamadi Gassama In-service (CHN)
2. LFF 1459 Ebrima Ndong In-service (CHN) ✓
3. FF 1922 Fatou O Bojang In-service (Nurse Attendance)

Sir, the cost and bill shall be footed by the department of Gambia Fire and Rescue Service.

We looking forward to your highest consideration and understanding.

Yours sincerely
