GENERAL REMARK: Dodou Njie was admitted into grade 11(eleven) of the Gambia Senior Secondary School on transfer from Brikamaba Senior Secondary School in 2015, upon passing the prescribed entry examination. He settled down well, worked to the best of his ability and produced exercises of a satisfactory academic standard. He submitted all tests/assignments and coursework on schedule, and made good use of the facilities of the School Library to improve on his academic performance. Although he spent two(2) years in the school, he was hardworking, obedient and respectful, qualities which endeared him to his peers and teachers. Dodou has a good moral approach and a warm disposition.

I recommend him for further studies/training/employment.
