RE: MANKAMANG KANAGIE – FIELD WORKER TRAINING

This is to certify that **Mankamang Kanagie** has successfully completed the level 1 & 2 of the core MRC Field Worker training between January and May 2012 and between November 2013 and January 2014 respectively.

Our records show that Mankamang has achieved **Grade B+** meaning that *certificate received at Very Good level.*

During the period of the course, Mankamang performed outstandingly in class participation, assignments and end of module tests.

I, therefore recommend him strongly to anyone who need the services of a trained field worker.

A handwritten signature in blue ink, appearing to read 'M. Dibba', is written over a dotted line.

Mr. Sheikh Mafuji Dibba
**Course Co-ordinator
MRC Field Worker Training Programme**
