TO WHOM IT MAY CONCERN

Miss Sophia Gomez was on attachment in the TB Diagnostic Laboratory MRC, Fajara on Proficiency Laboratory Training in Smear preparation; Ziehl-Neelsen stain and microscopic examination of stained slides for a period of four (4) weeks in March 2002.

During her period of training, she proved professionally competent in her work.

I highly recommend her for the job she is applying for.

Yours faithfully,

A handwritten signature in blue ink that reads 'R.A. Adegbola'. The signature is written in a cursive style with some loops and flourishes.

(DR. R.A. Adegbola)
