GENERAL REMARK: Siaka Jarjo was admitted into the school in September 2017 upon completion of the Junior Secondary Education Course and after passing the prescribed Examination at Old Youndum Upper Basic School. He settled down well, worked hard and produced exercises of a good academic standard. Saika is a keen, well-motivated student. He always took the necessary initiative to improve on his studies. He is a very pleasant boy who tries very hard. He has a diligent and quiet personality. He had a good relationship with his peers and teachers, and he had never been reprimanded for bad behavior.

I recommend him for further studies/training/employment.
