Ousainou Trawally successfully completed Grade 12 after sitting to the West Africa Senior Secondary Certificate Examination (WASSCE) May/June 2022.

Having been with Ousainou throughout his entire Senior Secondary School career and with the rating on his documents; With these virtues and high standard of Ousainou had set for himself and the school, I do not have an iota of doubt that he will be found wanting in his future engagements. I therefore have no hesitation to recommend him strongly to any prospective employer or institute of higher learning that may need his services.
