

FOUNDATION SCHOOL FOR NURSE ATTENDANTS

BAKOTEH, TEL NO. +220 3509018, 7377998

12th September 2018

RECOMMENDATION

Bakary Camara has attended an Intensive Foundation Course in General Nursing from 18th January 2018 to 12th September 2018.

He has been found to be focus, hardworking, honest, punctual, knowledgeable and well discipline and very much interested in nursing. He always make sure that work is done and accomplished at the right time. He is a promising nurse and can cope in any situation that he happens to find himself.

In view of the above, I strongly recommend him to any employer who needs his services or any nursing institution to further his education. I have no iota of doubt that he can perform to the best of his ability.

Whilst counting on your usual support, please accept the assurances of my highest consideration and esteem.

Yours Sincerely

Mrs. Margaret Gomez

Director
