Dear Sir/Madam,

Letter of Recommendation for Mr Demba Jallow

Mr Demba Jallow is currently working on a Malaria project in the MRCG at LSHTM, but because of his keen interest in pursuing a career in nursing, he had always scouted for opportunities to support our nursing team when he was less busy on his project assignments. He displayed a high sense of professionalism and diligence to his work. We found him very willing and hardworking both during working hours and out of working hours.

Demba currently holds a secondary school certificate and is very keen on pursuing his education beyond this level. I have strong confidence in Demba's potentials and very certain he will make excellent achievement if given the opportunity.

I wish to recommend him for future opportunities and training.

Your Sincerely,

Dr Bully Camara
