Dear Sir/Madam,

The above named school whose letter-head is displayed on this page is hereby to inform you that Miss. Anna Gormez has been a vital active teacher for grade 1 since her employment from September 2014 to July 2017 academic school years.

She has been very hard working and abiding to all rules and regulations of the school through out her service.

We therefore do not hesitate to recommend her for any further career achievement(s) she may like to undertake.

Thanks and we remain yours truly in professional service.
