English Language
Mathematics
Agricultural Science

History

During her stay with us, Neoline had a very good record of attendance and punctuality in school.

Neoline possesses average academic intelligence which she coupled with hard work and determination to produce satisfactory results. She worked hard to pass all her internal examination which earned her promotion yearly. She is quite attentive and shows keen interest in her school work.

She is a polite, well-mannered and co-operative student who got along well with her peers and mentors. She is maturing into a well-disposed young lady.

In extra-curricular activities, Neoline was an active member of the Civic Press club and Young Volunteers for the Environment (YVE) and participated fully in all their activities.

Neoline has potential. She is very reliable and capable of rendering satisfactory services to her future employer.

She is highly recommended.
