This is to attest that **Haruna M.L. Jarju** is a **volunteer** at Jammeh Foundation for Peace Hospital - Bundung since 2015 to date. He initially served at the Reproductive and Child Health Unit as weighing assistant and later rotated to the laboratory as lab attendant. During this period, he has demonstrated absolute commitment to work and passion for service delivery at all times. He has also manifested high sense of discipline towards work and his colleagues as well as respect for authority. He is an excellent team player and also opens to new ideas. In addition he is highly ambitious in achieving a professional career. I therefore wish to recommend him for any desired academic/professional pursuit.
