ATTESTATION.

Fatoumatta Saine gained admission into the school in September 2016 and followed a three year Senior Secondary School course leading to the West African Senior School Certificate examination (WASSCE). Fatoumatta worked extremely hard over her assignments and scored very good marks. She succeeded in maintaining relatively a good attendance record. She served in the school prefect council as Head Girl and she rendered an invaluable service during her tenure of office. She enjoyed an excellent rapport from her colleagues. She was respectful and obedient to her teachers. Fatoumatta is undoubtedly prepared for further academic studies. She has my recommendation.
