RECOMMENDATION: FATOUMATTA

TO WHOM IT MAY CONCERN

Fatoumatta Saidy was enrolled into grade ten (10) in September 2020. She completed grade 12 and sat the 2023 May/June West African Senior School Certificate Examination and came out with good results.

Fatoumatta was a diligent and hardworking student. She has a charming character, being polite, obedient and assiduous. She has continually worked hard to produce good results in the school's internal examinations.

In extra-curricular activities Fatoumatta is an active member of the Red Cross Society and the Islamic Club.

I highly recommend her for any venture or pursuit of her interest. She is indeed capable of pursuing any academic programme of her choice.

She is highly recommended.

Signed
