*This is to certify that Mrs. Fatou Ceesay is Community Health Nurse Currently working at Kaiaf Health Center in Lower River Region. I knew her since 2015 as a nurse directly working under me in the region. During her term in this region, she worked in various health facilities and including village health service.*

*Fatou proved to be a level headed person who never misplaced her priority. She is a go-getter, self-starter, dedicated to duty and demonstrates high sense of professionalism. She has respect for authority, colleagues and clients.*

*She show a keen interest in health care profession and I have no qualm that if given the chance she would perform to the expectations.*
