TO WHOM IT MAY CONCERN

Susan Gibba has been known to me as a student of Penyem Technical Senior Secondary School. Throughout this period I was her Mathematics teacher.

During her stay in the school, **Susan Gibba** had always done well in examinations. She is focused and highly determined to reach higher heights in education.

Susan Gibba is a very respectful and hardworking student and she has never given any concern for disciplinary action. In class, she has proven to be very motivated and has participated well during lessons. She has been more than willing to assist her fellow students both in class and outside the class.

In extracurricular activities, **Susan Gibba** has great potentials and I am with the strong opinion that she will excel in any learning institution.

I strongly recommend her and wish her well.

Yours faithfully

.....

Mr. Gibbi Bah
