TESTIMONIAL

SIREH M.S. KUJABI was enrolled in Grade 10 in SOS Hermann Gmeiner Technical Senior Secondary School in September 2005. In May/June 2008, he sat to the West African Senior School Certificate Examinations after attaining 12th grade standard.

Throughout the time he spent with us, **SIREH** behaved well and worked hard. She got along quite well with the teachers and her peers. She passed the school exams and was promoted regularly and on merit until the end of her career.

Apart from schoolwork she was engaged in extra curricula activities. She was a member of the Peace Pal and the Elite Computer Clubs.

SIREH is a young, disciplined, hard working and ambition lady; I wish to recommend her for further training and or employment in her area of strength and interest.
