RE: RECOMMENDATION LETTER

I am writing with great honor to satisfy that **Fatoumata L.M.J.K Sanyang** has successfully completed a three months practical attachment in Bwiam General Hospital dating the 1st November to 9th February 2018.

During the period under reference, she was opportune to shadow doctors and nurses in the following areas and had lent a hand in service delivery as and when required in Surgical, Medical, And Accident/Emergency and Outpatient Departments.

In conclusion, I have the deepest personal and professional respect and sincerely belief that she will perform to maximum level if given the opportunity to any of nursing training schools or employment in such institutions.

With highest regard
