General Comments:

Mariama Tamba gained admission to Gambia Senior Secondary in September 2009 after successfully completing her Junior Secondary School education at Tallinding Upper Basic and passing the prescribed examinations. She settled down well, worked hard producing exercises of a reasonable academic standard. She submitted all tests, assignment and coursework on schedule. She was obedient and respectful qualities which greatly endeared her to her peers and teachers. She maintained a good conduct and high standard of discipline also at all times. She also made good use of the facilities of the National and School Libraries to improve her studies.

I recommend her for training/employment
