REMARKS (if any) about work, progress and behaviour in Grade 10 to 12

Papis Sanneh was admitted into this school on completion of the Junior School Certificate examination and obtained the required grades for entry into the Senior School in 2007.

During the period spent here, he made use of all the facilities available and did as much as he could in his area of study. He was polite and a pleasure to teach. He was regular at school and worked well with his peers.

It is hoped that he will do in well in his chosen course of study.
