TO WHOM IT MAY CONCERN
RE: BINTA SUWAREH

I write to confirm that the above named has been working at our clinic as Health Care Assistant for over a year.

Binta's attendance has been exemplary in that she has been always regular and punctual. Her work has been of extremely good standard and she spares no effort in her application to work.

She has a sweet, cheerful and vivacious disposition and impresses as a pleasant, polite and thoughtful young nurse with genuine concern and care for patients.

Her record of conduct and relationships within the clinic is excellent.

Binta has great potential to become an outstanding RN and given the opportunity, she is capable of providing high quality and loyal service to all patients within her care.

I highly recommend her for consideration for the RN training programme.

Ms. Mariama Dibba
