RE: OFFER OF A PLACE IN THE REGISTERED NURSE (RN) PROGRAMME
JANUARY 2008

I have the pleasure to inform you that you have been offered a place at the School of Nursing and Midwifery to study for the Registered Nurse (RN) programme commencing in January 2008

The RN programme is funded by government. A monthly stipend of three hundred and fifty dalasis (D350.00) is paid to all pre-service students. In-service students would be eligible for study leave with salary upon application to and approval by the Department of State for Health

The College makes the offer on the understanding that:

1. If you do not have a credit in English, you MUST re-sit it at WASSCE level before the end of your training and obtain a credit. Otherwise, you will NOT graduate from the programme.
2. You are coming as a full time student and as such, you would be doing the programme for three years. You are required to have at least 80% attendance
3. All residential arrangements are made by the School of Nursing and Midwifery and you are required to adhere to the residency regulations.
4. You would be responsible for your own stationeries and must attain a Cumulative Grade Point Average (CGPA) of 2.50 in all assessments and examinations, failing which you may be withdrawn from the programme.
5. You must wear the School of Nursing and Midwifery uniform at all times during contact hours.
6. During your training, you would be required to go on practical placements in health facilities and local communities as and when the programme requires and attendance is compulsory.
7. In accepting the offer, you must undertake to observe the statues of the College and also abide by the rules and regulations the College makes for its students from time to time.

I would be grateful if you would let us know by writing whether or not you wish to accept the offer. In the hope that you will accept this offer of place, I wish you a happy and successful study at Gambia College

Yours sincerely,

REGISTRAR
