STUDENT'S TESTIMONIAL

NAME: YAYA JARJU **8030020003**

Yaya was enrolled in Jersey Technical Upper and Senior Secondary School in September 2017. He completed Grade Twelve (12) and sat in the May/June 2020 West African Senior Secondary School Certificate Examination (WASSCE) in the following subjects.

English Language	Woodwork
Mathematics	Applied Electricity
Science	Visual Arts
Technical Drawing	Geography
	Physical Education

Yaya has been quite calm, obedient and respectful student. He was also very regular and punctual during his time in the school.

He was also an active member of the peer health group of the school. I have no doubt that this young man will be of great help to his future employer.

In extra-curricular activities, he was a very active member of the schools scout and he was an athlete who participated in the schools inter ports athletics competitions.

I have no doubt that this young talented man will be of great help to his future employer.

Yours faithfully,

Muhammed L. Manneh
Principal
