TO WHOM IT MAY CONCERN

Lamin S. Sanneh was enrolled into Grade 10 at Charles Jow Memorial Academy (former 22nd July Academy) in September 2018 to pursue a three-year Senior Secondary School Course in the sciences. He sat to the West African Senior Secondary Certificate Examination in August 2021.

He was focused, determined and hardworking. His academic performance during the period was always above class average.

His records of attendance and punctuality are unblemished and exemplary. He conducted himself very well and related well with his teachers and peers.

Lamin has great learning potentials that could be developed to the fullest if given the chance.

I therefore recommend him for any further training or employment.

He is wished well.
