#### RE: SHEIKH TIJAN JENG

**Sheikh Tijan Jeng (G.R.No. AE799)** registered as a student of this school in September 2013 in Grade Ten. While he was here he studied assiduously and attained Grade Twelve and sat to the West African Senior Certificate Examination (WASSCE) in May 2016. He obtained envious results in this examination.

**Sheikh Tijan** is open and fits well in almost every activity. He has zeal to acquire knowledge and this is based upon a deep need to serve. He is driven by an urge to achieve and pursue results that make one above average in competence. In school and in the community, **Sheikh Tijan** showcases enviable leadership acumen. He was an active member of the Islamic and Commerce club.

**Sheikh Tijan's** gift however is not only in academics as he was a good football player. He inculcated the habit of reading, listening to news, and watching documentaries which have influenced his outlook. He reasons well and is very cautious in taking decisions.

I am convinced that if given the chance, **Sheikh Tijan** will be able to undertake academic pursuits at tertiary level with success. I am certain that he will prove worthy of my views.
