Dear Madam,

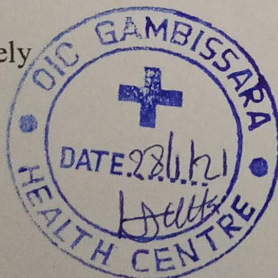

**RE-LEETER OF APPRECIATION FOR MISS THERESE LOPPY**

Is indeed a great pleasure to formally write to you in expressing my heartfelt appreciation to Miss THERESE LOPPY one of your trainee posted to Gambisara health center for her internship. Therese has manifested a high level of professionalism, discipline, dedication, commitment during her 12 weeks with us. Her appearance, comporment was excellent and she was always punctual at work and be in position to learn as well.

Furthermore, her knowledge and skills on nursing practice as well as principles have greatly improved. She has an excellent communication skills and this was manifested in her professional way of communicating to patients, nurses as well as other team members. She is also very good at documentation, observation and accurately reporting of all the findings to the appropriate persons.

Finally I will like to thank the institution for sending such an excellent student and wishing her the best of luck in her career. Am also urging her to aim for higher height. Thank you.

Yours Sincerely

Lamin Jatta
